A LUXURY ALPINE HAMLET

Set among beautiful gardens, our traditional chalets form a quiet, private hamlet all our own. Look up and you'll see Mont Blanc towering over it all. Our spaces are rooted in the region's rich heritage — elegant and contemporary, brought to life by the unmistakable character of Alpine architecture and local craftsmanship.

FLAVOURS YOU WON'T FORGET

At L'Alpaga, our food is built around one simple idea: showcase the best of Haute-Savoie. From breakfast to dinner, every dish is generous and carefully crafted, built on local produce and the know-how of the region's artisans.

«Both the hotel and the surrounding region are home to a living ecosystem that never stops inspiring us — and pushes us to think about sustainability in everything we do.»

Le Bar de L'Alpaga

Le Bistrot de L'Alpaga

LE BISTROT DE L'ALPAGA

A bistro at heart, bistronomy on the plate.

At lunchtime, think chic, easy small plates — a generous, relaxed meal between sessions. In the evening, the cooking gets a bit more refined, putting a contemporary spin on Savoyard classics.

The restaurant is split between two rooms, the main dining room and the veranda, which is especially well suited to groups.

LE BAR

The Bar at L'Alpaga is good any time of day, with the mountains right in front of you. Cocktails and local spirits, lifted with herbs and flowers from the garden, alongside Savoyard bites: local flavour meets creativity.

EXPERIENCES AT L'ALPAGA

Megève has no shortage of things to do. Take some time for yourself and enjoy it all without ever leaving the calm of our alpine retreat.

WELLBEING

At L'Alpaga, the fresh mountain air and the surrounding nature do all the work. In the gardens: sauna, cold plunge, then a dip in our heated outdoor pool, open year-round with views of Mont Blanc. At the spa — all wood and stone — enjoy massages and beauty treatments in one of three treatment rooms, plus a hammam and jet pool.

EXPLORE THE REGION

Beyond L'Alpaga, there's plenty to discover in Megève all year round: mountain biking in spring, dog-sledding in winter, or an «apéri'gliss» — cable car up, cocktail and sunset at the top. Our team can put together tailor-made group experiences.
